

Notice of Planned Power Outage

Dear Patients and Families,

March 2026 Nagitsuji Hospital

Please be advised that a power outage will occur within the hospital during the schedule listed below. This is due to a mandatory legal inspection based on the Electricity Business Act and the replacement of electricity meters.

Important Information

- **Emergency Services:** We will be unable to accept emergency patients during the outage.
- **Outpatients:** Patients arriving during this period may be asked to wait or may be referred to nearby hospitals.
- **Visitation:** Hospital visitations will be suspended on the day of the outage.

We anticipate the power outage will last approximately **two hours**. We apologize for the inconvenience and appreciate your understanding and cooperation.

Schedule

- **Date:** Monday, April 20, 2026
- **Time:** 14:00 – 16:00

Note: The schedule is subject to change depending on the progress of the work.
