## **Notice of Revision to Diaper Sales Prices**

We hope this message finds you well. We would like to express our sincere gratitude for your continued understanding and support.

As the rising cost of raw materials and other expenses has continued, it has become difficult to maintain the current sales prices of diapers. Accordingly, our hospital will revise the charges for non-insurance-covered items as shown below.

We will continue striving to improve our services for patients and to further strengthen hygiene management. We sincerely appreciate your understanding.

Sincerely,

**1. Effective Date** From Friday, May 1, 2026

**2. Price List** (all prices include tax)

<b>Product</b>	<b>Current Price</b>	<b>Revised Price</b>	<b>Increase</b>
